

RMBCC ANNUAL AWARDS - 2003

Our members and their beardies were active in agility, conformation, herding, and obedience in 2003. It is very nice to see so many of us branching out in new areas. Please note that more titles in 2003 were earned in herding than in any other venue. We have such a versatile breed and they just love having a "job" to do with their owners. Congratulations to all of you and keep up the good work!!!
